Joyfully Exclaiming, 'Welcome Back and Happy Summer to All!'

A sight for sore eyes! Bridge was officially the first group to return to the Anchors in early June. Clockwise from left, Judith Rizun, Sarah Henderson, Trudy Williams, and Leah Rukeyser

A raised garden bed at the rear of the building serves as a space for gardeners to swap plants. The program has been a fun way to share and engage with other gardeners from a distance. We have been pleasantly surprised by the large amount of interesting and unique plants appearing regularly. Thanks to all who have participated. We look forward to seeing what the rest of growing the season brings!

"Gardens and flowers have a way of bringing people together, drawing them from their homes."

Thank you for all you've done Katie!

My Dear ECOA Community,

I would like to take a moment to thank all of you for the most incredible opportunity over the past year and a half to get to know you and serve as an outreach worker. It has been such a privilege to hear your stories, and to be let into your homes and inner circle. This year has presented some great challenges, but I have learned so much from you with your perspective and grace!

I cannot go without also expressing my gratitude to the ECOA staff, who have not only been the most incredible mentors to me, but also the strongest teammates and friends a person could ask for! Victoria, Meris, Lyndsay, Diane, Donna, and Dianne, you amaze me with your endless energy, heart, and willpower, and I thank you for sharing that with me!

I am sad that my grant position is coming to a close for now, but I'm excited to have grown my experience and passion in this field, and that I was lucky enough to get a whole extra year with you, out of my initial 6 month grant! Thank you!

Sincerely,

Katie

~ Anchors Summer Parking ~

The Anchors parking lot is shared with the Kelley House and we have limited parking.

This season, to avoid being towed and other un-pleasantries, please park only in the areas that are clearly designated as "Council on Aging Parking." There are 2 spaces in the corner next to the hedges on the Dock Street side of the lot. There are 7 spaces around the back in the area adjacent to our door by the kitchen entrance.

Your best summer strategy is to car pool or use the convenient Park and Ride bus which leaves from the lot across from the Triangle behind Edgartown Pizza every 20 minutes and takes you to Among the Flowers one block away. This bus service begins June 25th and runs through September 3rd, from 7:35am-11pm daily.

HAVE FUN DOING TAXES!!

Do you enjoy people?

Do you think numbers can be fun?

If yes, then we're looking to share the fun with you.

Since 1968 AARP Foundation TAX-Aide Volunteers have been helping low and moderate income taxpayers complete their Federal and State income tax returns free of charge.

New volunteers are trained in the process of completing tax returns each Fall and, upon passing the required test, are assigned to various centers across the Cape and Islands. Preference is given to centers near their homes. From February through April 15 wonderful people are met and needed help is given. Schedules are flexible and allow for vacation time.

If volunteering interests you but you are not sure about preparing tax returns, our Tax-Aide teams are also looking for volunteers with technology and administrative skills to support our tax counselors.

Find out more about the **fun** you can have by being a Tax-Aide Volunteer Counselor. For more information contact:

Paul O'Keefe, Volunteer Coordinator at: pokeefe15@hotmail.com
or call (203)-249-1846.
